To Whom it may concern.

The Association would like to thank Andy Laundon and his team at Retroflo for their support and generosity this year. As we are a charity the savings we have made through Retroflo working for us on a not for profit basis is a much needed resource in hard times. We would also like to acknowledge the generosity by the company for sponsoring Santa's grotto and the gifts. Well over 100 children benefited from this free night of entertainment. A top class team who know the value of community spirit.

Kind Regards
